

Hey Kiddos

Let's start our journey of learning by following eight interesting themes . So our first theme is ' Kidoo goes to school '

In this theme we will learn about the names of the things we see in school and in our classroom.

Next we will learn the colour of this theme that is 'RED'

We will learn the names of red objects like tomatoes , letter box ,rose, tomato etc . I 'm sure your mom will show you these things and draw the pictures for you . You will have to colour them and remember their names.

Next to be learnt is the concept of **BIG & SMALL**

Mom will show you a big glass & a small glass ,a big tree &a small . Then you will have to colour their pictures and remember

BIG & SMALL. VOCABULARY words related to the theme and conversation are :

Concept of BIG & SMALL.

is the other things which the tiny ones are supposed to know .

Therefore kindly show him big objects and then small objects .

He / She could be asked to draw various objects. Eg.

Big ball Small ball,Big house Small house etc

As we introduce a colour along with every theme Red is the colour in the theme ' Kidoo goes to School '.

Therefore you are required to show your child all the objects that are 'Red 'and make him colour the pictures of these objects in 'Red '.

Introduce the letter A and B and number 1 and 2 by showing these videos

Parents pl use these vocabulary words with your child

Sing those rhymes which we have shared with u and ask your ward to listen to story narrated by deepa maam. Parents pl help your child to do this .looking forward to seeing you soon. 😊 😊

Today's Activity is DOUGH PLAY

For this Mommy has to

- * knead hard dough ..
- * make small balls .

Now it will be your turn to

- *roll these balls
- *pinch
- *mould

to make a ball , a flower , a jalebi or a simple snake

Color these things that are

red

Fruits !!

Can you match the fruits and name them?
