### **EMBRACING CHALLENGES, CHANGE AND GROWTH**

As we embark on exciting 45th edition of our school newsletter, it's a wonderful time to reflect on the journey we've shared over these past six months. Our School community continues to evolve, embracing new challenges and celebrating our collective achievements. This year, we've witnessed remarkable growth-both academically and socially. Students have pushed boundaries in the classroom, explored new extracurricular activities, and engaged in community service project that have made a meaningful impact. It is a celebration of the talent and enthusiasm that drive our school forward. Many students have achieved remarkable milestones this year. In Class XII Board, 5 students of our school have got the ultimate 100 in painting & 99 in most of the subjects. In Class X also students have excelled with 100 in IT & Maths, 99 in English, Hindi, Punjabi and S.Sc.

Numerous students of our school have bagged medals in Swimming, Fencing, Skating, Athletics Wrestling, Table Tennis etc. This year again we have got a chance to host CBSE Cluster XVII Table Tennis Tournament wherein about 237 students participated. The school is a happening place where academics is blended with activities following the NEP-2020 impactfully.

It's inspiring to see how our diverse talents and perspectives come together to create a vibrant and inclusive environment.

The school has got a new look the Admin Offices and the Auditorium have been given a facelift, keeping in mind that change is a catalyst for innovation and challenges are milestones, We introduce new programs and initiatives and approach them with open mind an enthusiasm.

Remember every small step contributes to our larger mission of nurturing responsible and compassionate individuals.

# THE POWER OF HONESTY AND INTEGRITY

Our Values are passed on from generation to generation. What values are we teaching to our children? Let us not teach our kids the wrong ways and means to win. Instead, let us pass on the beauty and humanity of a helping hand. because honesty and ethics always win. One of the instances which reiterated my views was witnessed in one of the Olympics when the Kenyan runner Abel Mutai who was just a few feet from the finish line, but became confused with the signage and stopped, thinking he had completed the race. A Spanish runner, Ivan Fernandez, was right behind him and, realizing what was happening he started shouting at the Kenyan runner to continue running. Mutai didn't know Spanish and didn't understand. Realizing what was taking place, Fernandez pushed Mutai to victory. A journalist asked Ivan, "Why did you do that?" Ivan replied, "My dream is that someday we can have a kind of community life where we push and help each other to win." The journalist insisted, "But why did you let the Kenyan win?" Ivan replied, "I didn't let him win, he was going to win. The race was his." The journalist insisted again, "But you could have won!" Ivan looked at him and replied, "But what would be the merit of my victory What would be the honor in that medal? What would my mother think of that?"

One of the biggest life learning lessons highlighted through this incident is that no victory is more valuable than being honest.

## THE DANGEROUS TONE OF OTP

OTP OTP everywhere, but is it safe for all ?  
It started with banking, but now it's on every call.  
From Amazon order to mom's skincare.  
We get an OTP to ensure our security is there.  
We get an OTP and feel a sense of relief.  
But what if someone else has also got the same key?

Our Passwords and accounts, we want to keep them secure,  
But hackers and scammers are always looking for a lure.  
We need to be careful and stay alert.  
To keep our online presence safe and unhurt.

We need to be cautious and read between the lines,  
To keep our information safe from any dangerous mind.  
So when you get on OTP.  
Take a moment to think  
And make sure it's right  
Before you give it a wink.

Let's use them wisely  
and keep them secure and strong  
So we can enjoy our digital world  
without anything wrong.

## "WHISPERS OF ILLUSION"

In the twilights hush, shadows dance,  
Whispers of the mind, a mystic trance.

Echoes of dreams, both near and far,  
Hallucinations paint the sky with stars.

Illusions leave through the silent night.  
Mysteries untold, in soft moon light.

Visions bloom in the depths of sleep,  
Reality blurs, secrets to keep.

Through the will of the minds embrace,  
Specters wander, in ethereal grace.

Lost in the dance of fantasy's light,  
Hallucinations fade with morning's light.

Priyanshi Gupta, X-A

***Illusion is the first of all pleasures.***

## WINSOME WIN

In the land of colours, where dreams take flight,  
India emerged victorious, shining bright

After 17 long years of waiting and tears  
The world cup returned, diminishing fears

In 2024, the nation stood tall  
As cricket's greatest prize, they did install

Each player's sweat, each fan's cheer  
proved that victory was finally near.

From the dusty streets to grand stadiums,  
The roar of the crowd, like euphoric anthems,

Emotions ran high, hearts beat as one  
As India's triumph was second to none.

Memories made, etched in history's scroll,  
As the World Cup returned to its soul.

For every player, every fan,  
India's victory, a part of the grand plan

So raise a cheer, let emotions flow,  
For India's win, a glorious show.

In 2024, the dream came true,  
India's world Cup Victory, forever new.
